Explanation of Responses:

- The issuer withheld a sufficient number of shares in order to pay the exercise price and related taxes for the option exercise reported on Table II of this Form.
- The number shown is the closing price for the issuer's common stock on the NYSE on August 11, 2009.
- The price represents the weighted average sale price for multiple transactions reported on this line. The prices of the transactions ranged from \$44.10 to \$44.77. The reporting person has provided the issuer and will provide any security holder of the issuer or the SEC staff, upon request, information regarding the number of shares sold at each price within the range.
- These options were granted to non-employee directors, without payment therefor, as compensation for serving on the Board.
