In its marine fuel business, the Company brokers and trades in marine fuel and lubricants, and provides credit, marine fueling and related services to its customers. In its used oil recycling business, the Company collects used oil throughout the Southeast and Mid-Atlantic United States from outlets which include service stations, quick lube shops, auto dealers, and industrial, governmental, marine and utility generators. The Company recycles non-hazardous used oil into various fuel products and sells the oil to industrial and commercial customers.

The Company was incorporated in Florida in July 1984. Its executive offices are located at 700 South Royal Poinciana Boulevard, Suite 800, Miami, Florida 33166, and its telephone number at this address is (305) 884-2001. The Company conducts its oil recycling business through five subsidiaries with offices in Florida, Louisiana, Maryland, and Delaware.

In December 1986, the Company entered the aviation fueling business with the acquisition of Advance Petroleum, Inc. In October 1989, the Company expanded its aviation fueling capabilities by acquiring JCo Energy Partners, Ltd. and shortly thereafter renamed these operations World Fuel Services, Inc. In April 1993, the Company completed and commenced operation of a used oil and water recycling plant in Wilmington, Delaware. In January 1995, the Company entered the marine fuel business by acquiring substantially all of the assets of Trans-Tec Services, Inc. ("Trans-Tec"), a New York corporation, and certain assets and securities of affiliates of Trans-Tec.

USE OF PROCEEDS

The Company will receive no proceeds from the sale of the Shares by the Selling Shareholders.

SELLING SHAREHOLDERS

All of the Shares are being sold by the Selling Shareholders and the Selling Shareholders will receive all of the proceeds from the sale of the Shares. #### PLAN OF DISTRIBUTION

The Selling Shareholders may sell any Shares offered hereby from time to time in one or more transactions (including block transactions in which a Selling Shareholder is the seller) on the New York Stock Exchange or in the over-the-counter market. The Selling Shareholders may also sell Shares in special offerings, exchange distributions or secondary distributions in accordance with the rules of the New York Stock Exchange, in negotiated transactions, including through the writing of options on shares of the Common Stock (whether such options are listed on an options exchange or otherwise), or otherwise. The Selling Shareholders may effect such transactions by selling Shares to or through underwriters, dealers, brokers or agents. Such underwriters, dealers, brokers or agents may sell such Shares to purchasers in one or more transactions (including block transactions) on the New York Stock Exchange or otherwise. Any sales may be made at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. Without limiting the foregoing, brokers may act as dealers by purchasing any and all Shares either as agents for others or as principals for their own accounts and reselling such shares pursuant to this Prospectus. Such brokers will receive compensation from the Selling Shareholders in the form of commissions or discounts and may receive compensation from purchasers of the Shares for whom they may act as agent or to whom they may sell as principal in the form of commissions or discounts. The Selling Shareholders and any underwriters, dealers, brokers or agents that participate in the sale of such Shares may be deemed to be underwriters, and any profit on the sale of such Shares by the Selling Shareholders and any discounts, commissions or concessions received by any such underwriter, dealer, broker or agent may be deemed to be underwriting discounts or commissions under the Securities Act.

There can be no assurances that the Selling Shareholders will sell any or all of the Shares offered hereunder.

Sales of Shares at less than the market prices thereof may depress the market price of the Company's Common Stock. Moreover, it is possible that a significant number of Shares could be sold at the same time, which may also depress the market price of the Company's Common Stock.

The Company has undertaken to amend this Prospectus from time to time as shall be necessary to maintain its effectiveness until January 3, 1998. The Company will not receive any of the proceeds from this offering.

Item 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 607.0850(1) of the Florida General Corporation Act provides that a Florida corporation may indemnify any person who was or is a party to any suit or proceeding (other than an action by or in the right of the corporation), by reason of the fact that he is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no cause to believe his conduct was unlawful.

Section 607.0850(2) provides that a Florida corporation may indemnify any person who was or is a party to any suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against

expenses and certain amounts paid in settlement, actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted under similar standards, except that no indemnification may be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable, unless, and only to the extent that, the court in which such action or suit was brought shall determine that despite the adjudication of liability, such person is fairly and reasonably entitled to be indemnified for such expenses that the court shall deem proper.

Section 607.0850 further provides that to the extent a director, officer, employee or agent of a corporation has been successful in the defense of any action, suit or proceeding referred to above or in the defense of any claim, issue or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith; that indemnification provided for by Section 607.0850 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and that the corporation may purchase and maintain insurance on behalf of a director or officer of the corporation against any liability asserted against him or incurred by him in any such capacity or arising out of his status as such whether or not the corporation would have the power to indemnify him against such liabilities under such Section 607.0850.

The Company's Articles of Incorporation provide that the Company shall indemnify its officers and directors, and former officers and directors, to the full extent permitted by the laws of the State of Florida.

Item 17. UNDERTAKINGS

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Amendment to the Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Miami Springs, State of Florida, on the 31st day of May, 1996.
