Filed February 28, 2008
File No. 1-09533**

Dear Mr. Stebbins:

We have limited our review of your filing to disclosure relating to your contacts with a country that has been identified as state sponsors of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with supplemental information, so that we may better understand your disclosure. Please be as detailed as necessary in your response. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comment or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We are aware of a news report dated July 2008 indicating that you fueled an Iranian-owned ship in Singapore. Iran is identified by the State Department as a state sponsor of terrorism, and subject to U.S. economic sanctions and export controls. We note that your Form 10-K does not include disclosure regarding any contacts with Iran. Please describe to us the nature and extent of your past, current, and anticipated contacts with Iran, if any, whether through direct or indirect arrangements. Your response should describe in reasonable detail any products or services you have provided to Iran, and any agreements, commercial arrangements, or other contacts you have had with the Iranian government or entities controlled by that government. Finally, please tell us of any remedial or preventative measures you have undertaken since the referenced incident.

Please respond to this comment within 10 business days or tell us when you will provide us with a response. Please submit your response letter on EDGAR.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filings include all information required under the Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to the company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comment, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filings; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filings or in response to our comment on your filings.

Please understand that we may have additional comments after we review your response to our comment. Please contact Pradip Bhaumik, Attorney-Advisor, at (202) 551-3333 if you have any questions about the comment or our review.

Sincerely,

Cecilia Blye, Chief
Office of Global Security Risk
