**Explanation of Responses:**

- On May 10, 2005 the issuer's Governance Committee approved the grant of SARs and/or restricted stock to the reporting person, who could elect to receive SARs or restricted stock or a combination of the two. On May 16, 2005, the reporting person elected to receive the grant of restricted shares reported herein.
- These restricted shares will be earned if the issuer achieves certain net income targets for the last three quarters of 2005. The amount shown is the highest possible award; lower amounts may be earned if the highest net income target is not achieved. If earned, the restricted shares will vest in three equal installments over a three-year period, commencing January 1, 2006.
- These restricted shares were granted to the reporting person, without payment therefor, as compensation for serving as an executive officer of the issuer.
- On February 1, 2005, the common stock of World Fuel Services Corporation split 2-for-1, resulting in the reporting person's acquisition of 15,000 additional shares of common stock.
