Item 8.01. Other Events.

On June 8, 2015, World Fuel Services Corporation (the “Company”) announced that it has entered into a settlement agreement (the “Settlement Agreement”) with the Trustee (the “Trustee”) for the U.S. bankruptcy estate of Montreal, Maine & Atlantic Railway, Ltd., Montreal, Maine and Atlantic Canada Co. (“MMAC”), and the monitor (the “Monitor”) in MMAC’s Canadian bankruptcy (collectively, the “MMA Parties”) to resolve claims arising out of the July 2013 train derailment in Lac-Mégantic, Quebec (the “Derailment”). Under the terms of the Settlement Agreement, the Company will contribute US\$110 million (the “Settlement Payment”) to a compensation fund established to compensate parties who suffered losses as a result of the Derailment. The Company expects that the full amount of the Settlement Payment will be covered by insurance. As part of the settlement, the Company and its affiliates will also assign to the Trustee and MMAC certain claims they have against third parties arising out of the Derailment.

In consideration of the Settlement Payment and the assignment of claims to the Trustee and MMAC, the Company and its affiliates, as well as the Company’s former joint ventures, DPTS Marketing, LLC and Dakota Petroleum Transport Solutions, LLC and each of their affiliates (collectively, the “WFS Parties”), will receive the benefit of the global releases and injunctions set forth in the respective bankruptcy plans filed by the Trustee in the U.S. and by MMAC in Canada (collectively, the “Plans”). The effect of these global releases and injunctions will be to bar all claims which may exist now or in the future against the WFS Parties arising out of the Derailment, other than criminal claims which by law may not be released.

Prior to becoming effective, the Settlement Agreement and Plans must be approved by creditors in both the U.S. and Canadian bankruptcies, as well as the U.S. and Canadian Bankruptcy courts. The Province of Quebec and other key creditors in the bankruptcies have consented to the settlement. The Plans are also subject to challenge by third parties. As a result, approval of the Plans, the effectiveness of the Settlement Agreement and the related timing is uncertain.

A copy of the Company’s press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

("MMAC"), and the monitor in MMAC's Canadian bankruptcy to resolve claims arising out of the July 2013 train derailment in Lac-Mégantic, Quebec.

Under the terms of the settlement agreement, which is subject to approval by the creditors and courts involved in the U.S. and Canadian bankruptcies, the company will contribute US\$110 million to a compensation fund established to compensate parties who suffered losses as a result of the derailment.
